Plots in La Cabuzana - Vera La Cabuzana is a quiet 'open' living estate with detached villas built on individual plots of 500 or 1.000 m<sup>2</sup>. This living estate is situated between Vera and Garrucha and has very good access. Within 5 or 10 minutes you will find all amenities like shops, bars, restaurants, hotels, medical care, sea, beach, sport facilities, etc. In La Cabuzana we have 46 plots of at least 1.000 m<sup>2</sup>. According to the new general plan the minimum plot size in which to build a detached villa is 1.000 m<sup>2</sup>. La Cabuzana has a complete infrastructure with tarmac roads with street lights, electricity, mains water, sewerage and telephone connection. At this moment the high speed train connection between Murcia and Almería is been built. When this new line opens in 2020, Vera will also have a railway station, so you can travel from Vera to all over Europe.
