San Juan de los Terreros, ALMERIA

Model Serena has a living room, dining room, kitchen, 2 bedrooms, 1 bathroom, covered terrace. Sundalus Villas - Luxury detached villas that will be completely built according to your personal requirements and the location of your choice. There are 6 'standard' models all with their own specific plans. All layouts can be 'redesigned' and adjusted to your personal requirements. By means of this concept and our intensive support your new Spanish dream villa becomes a reality. Model Serena has a living room, dining room, kitchen, 2 bedrooms, 1 bathroom, covered terrace. The total living surface (exclusive of terraces) is 104.53 m². You can have this villa built according to the above construction for € 165.000,- without VAT. Because you can choose the location of your villa, the plot is not included in the price. www.sundalusvillas.com Video!
